BUT HOW???

The double-slit experiment has become a classic for its clarity in expressing the central puzzles of quantum mechanics. Because it demonstrates the fundamental limitation of the ability of **the observer to predict experimental results**, Richard Feynman called it "a phenomenon which is impossible [...] to explain in any classical way, and which has in it the heart of quantum mechanics.

An electron is a negatively charged subatomic particle that can be either bound to an atom or free (not bound). An electron that is bound to an atom is one of the three primary types of particles within the atom — the other two are protons and neutrons.

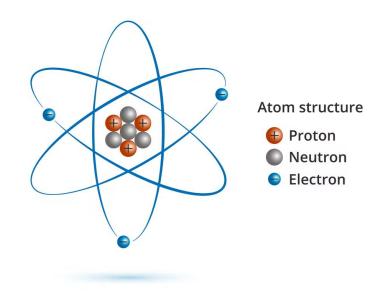

Together, electrons, protons and neutrons form an atom's nucleus.

Are humans made of electrons?

At a pretty basic level, we're all made of atoms, which are made of electrons, protons, and neutrons.

How many electrons are in the human body?

The total number of electrons in the human body is typically in the order of **10^28**. That's 10 with 28 zeros

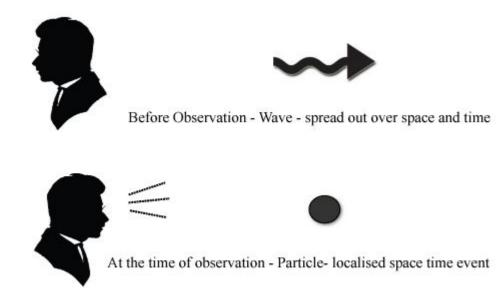

What happens when you observe an electron?

When under observation, **electrons are being "forced" to behave like particles and not like waves**. Thus the mere act of observation affects the experimental findings.

Wave Form = Unlimited potential

Particle Form = Changes to what you expect to see

What are some examples of looking at something and seeing what you want to see? Remember, what you see is what you expected to see. This could be considered positive or negative.

- Expecting of having enough gas to make it to the gas station
- Thinking of buying a certain car
- Entanglement like twins seeing and feeling the same thing at same time
- Opened yourself up for new experiences which then ended up being everywhere
- I hope I don't get sick, I would hate to miss work, I don't have sick time and I need the money.

- We have about 80 Billion neurons inside our brains those are sending electrical and chemical messages back and forth from our brain down through our spinal cord to our entire body.
- It's about Electrical Signals and Frequency
- The brain controls every part of your body right down to your DNA
- We get to determine the signal and frequency by way of our thoughts
- We allow / yield our mind to the mind of Christ (LOVE)

 The sense we let go / release our free will by cheesing
- In a sense, we let go / release our free will by choosing to be hooked up / controlled by the Mind of Christ (LOVE)
- We get to choose what we think

Your cells, your DNA are responding to the brain's signals. They are asking: How's it going out there? Everything OK?

Map of Consciousness Levels

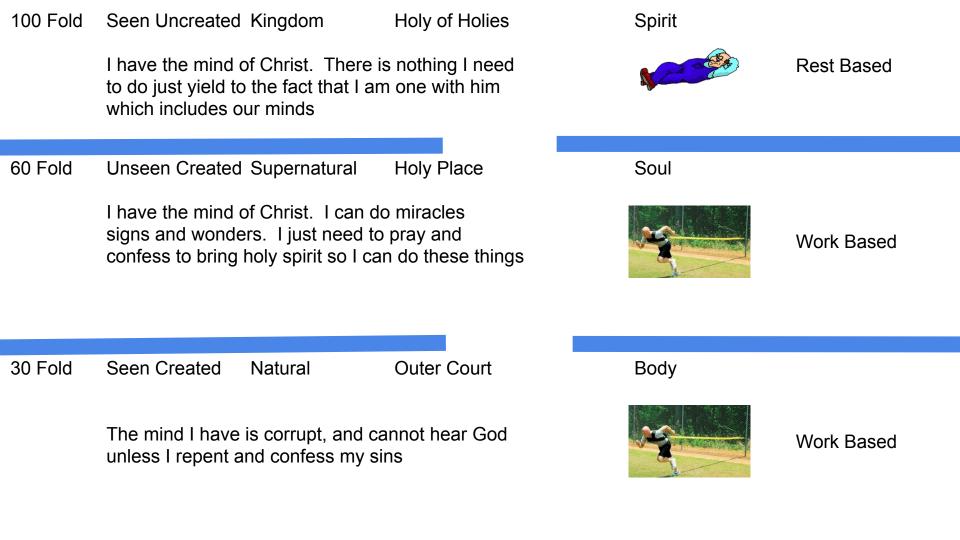

from David R. Hawkins Power vs. Force

We are all born with a level of consciousness, an energetic frequency within the vast field of consciousness. And with The Map of Consciousness, we can truly understand the total spectrum of human consciousness.

Using a unique muscle-testing method, Dr. David R. Hawkins conducted more than 250,000 calibrations during 20 years of research to define a range of values, attitudes, and emotions that correspond to levels of consciousness. This range of values-along with a logarithmic scale of 1 to 1,000-became the Map of Consciousness, which Dr. Hawkins first wrote about in his best-selling book, Power vs. Force.

With the Map, Dr. David R. Hawkins laid out the entire spectrum of consciousness, from the lower levels of Shame, Guilt, Apathy, Fear, Anger, and Pride; to Courage, Acceptance, and Reason; all the way up to the more expanded levels of Love, Ecstasy, Peace, and Enlightenment. These "higher" energy fields are a carrier wave of immense life energy.

Ephesians 1:3 All praise to God, the Father of our Lord Jesus Christ, who has <u>blessed us</u> with every spiritual blessing in the heavenly realms because we are <u>united with Christ</u>. 4 Even before he made the world, God <u>loved us</u> and <u>chose us</u> in Christ to be holy and without fault in his eyes. 5 God decided in advance to <u>adopt us</u> into his own family by bringing us to himself through Jesus Christ. This is what he wanted to do, and it gave him great pleasure.

James 1: 13-15 When tempted, no one should say, "God is tempting me." For God cannot be tempted by evil, nor does he tempt anyone; but each person is tempted when they are dragged away by their own evil desire and enticed. Then, after desire has conceived, it gives birth to sin; and sin, when it is full-grown, gives birth to death.

Affirmations - Who you are!!

Romans 8:16-17a The Spirit himself testifies with our spirit that we are God's children. Now if we are children, then we are heirs—heirs of God and co-heirs with Christ.

Galatians 4:6 Because you are his sons, God sent the Spirit of his Son into our hearts, the Spirit who calls out, "Abba, Father." So you are no longer a slave, but God's child; and since you are his child, God has made you also an heir.

Affirmations - Who you are!!

John 16:12-15 "I have much more to say to you, more than you can now bear. But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come. He will glorify me because it is from me that he will receive what he will make known to you. All that belongs to the Father is mine. That is why I said the Spirit will receive from me what he will make known to you."

Affirm this within yourself...

I AM....

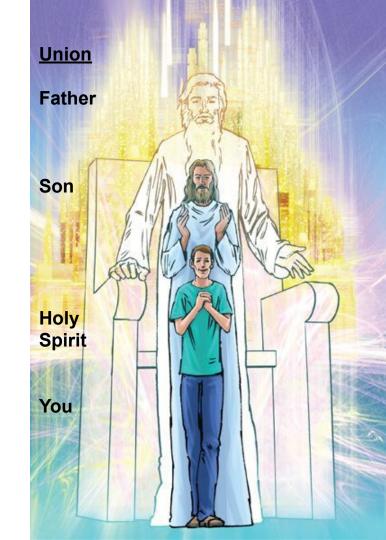

John 17:23 I in them and You in Me, that they may be perfected in unity

1 John 4:17 as He is, so I AM in this world

Galatians 2:20...it is no longer I who live but Christ lives in me

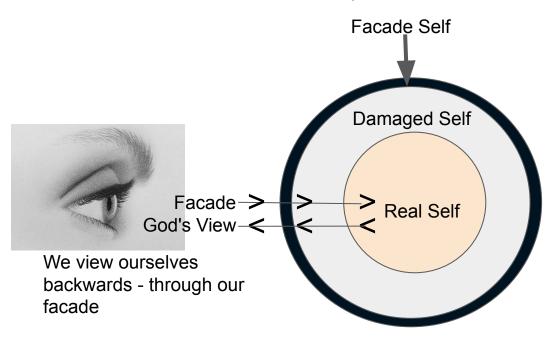

God is not afraid of us being like Him or else He would not have done everything possible to reveal to us even to the point of sending Jesus to be your true reflection

Be like your big brother Jesus a Life Giving Spirit - live from the inside out - everything you need is in there. There is nothing you need from the outside.

Synchronicities

Seeing things come together that don't have any explanation as to how it would be possible Coincidences are evidence of your thoughts creating which expands your knowing

How do we move from Thinking to Knowing

Every time you realize that you created something, no matter how small, write it down. Otherwise, you are creating little things every day that you are going to forget. This practice will grow your knowing that your thoughts create because right now you are just shrugging the creations off.

Once you have built this creation, you will experience the joy of knowing you are a creator. The more things we (you and God) build and create together, the more you will have knowing that you are I Am, and your thoughts create. Your doubts will fade as your knowing grows.

Fear is blocking knowing you are a creator.

If you have full knowing you are god and you create, you understand there is nothing to fear. There is only knowing and the lack of knowing.

Wanting is not knowing. Action erases doubts.

New Thoughts:

Jesus did not die for you, but as you

You were crucified with Christ

3 Crosses - Jesus, You, Your Accuser

Agree with what God says about you

Agree that before the foundation of the world, you were chosen, the decision was already made. There is nothing you can do to receive it, you just need to yield to the choice that had already been made.

Jesus lived by only doing what he saw the father do. Who's will was Jesus living by? His will, or God's will? Jesus yielded to the choice that Father already had for him, and Jesus just moved into it.

Encountering God

God capturing our attention

Moses and the bush

Supernatural event

Moses turned to see

When God saw that Moses turned to see, God spoke

Temptation of Eve: a Living Soul

Eve in paradise with both trees in her midst

Eve first had the thought - to eat

Eve then listened to that thought - led by the soul

Eve then saw that the tree was good for food

Eve then came into agreement / yielded to that thought

Matthew 18:18"Assuredly, I say to you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.

19"Again (assuredly) I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven

Eve then spoke it out
Proverbs 18:21 Death and life are in the power of the tongue, And those who love it will eat its fruit

Eve then acted upon that thought

Temptation of Jesus: a Life giving Spirit

Jesus was led / driven into the wilderness by the spirit

Jesus after 40 days of fasting - his soul became weak - had the thought - to eat

Jesus did not listen to that thought - led by the spirit

Jesus then saw the word of God was good for food

Jesus then came into agreement / yielded to that word - not his thought

Jesus then spoke it out

Jesus then acted upon that word - God's word became his thought

1 Corinthians 15:45 So also it has been written: "The first man Adam became into a living soul;" the last Adam into a life-giving spirit.

How are you tempted?

To do something in my own strength to achieve something I think is lacking

What is sin?

Thinking and agreeing that something is lacking, that I am missing the mark, which leads to self condemnation which leads me to think I am separated from God, which then leads me to reach out with my own hand to get something which I perceive as laking, which brings death - Stinky Thinking

What did God do with that sin / stinky thinking?

There is no separation - Romans 8:31-39

There is no condemnation - Romans 8:1

There is no sin - Hebrews 10:17

Not in Adam or Eve but in Christ

1 Corinthians 2:16 For "who has known the mind of the Lord that he may instruct Him?" But we have the mind of Christ.

What is the mind of Christ?

Philippians 2:5Let this mind be in you which was also in Christ Jesus, 6who, being in the form of God, did not consider it [b]robbery to be equal with God, 7but [c]made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. 8And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. 9Therefore God also has highly exalted Him and given Him the name which is above every name, 10that at the name of Jesus every knee should bow, of those in heaven, and of those on earth, and of those under the earth, 11 and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

Your default is righteousness

You have to go out of your way to sin

When was the last time you sinned? The last time you did something in your own strength to achieve something you thought was lacking.

My guess it was a while ago.

Yet, we still feel that when we don't "do" all the right things God is apart from us. Over there somewhere.

You are what you know, who you believe, and that starts in the mind.
